

DEPARTMENT OF HEALTH AND ENVIRONMENTAL CONTROL

Notice of Department Decision

Regarding: Determination of Need and Consistency
Proposed Santee Cooper Cross Generating Station Class 3 Landfill

Location: Santee Cooper Cross Generating Station in Moncks Corner, South Carolina
Berkeley County

Decision Date: June 13, 2011

This decision applies to the first phase of the landfill permitting process, which deals with need, consistency, zoning, and certain buffers.

Pursuant to Regulation 61-107.19, Solid Waste Management: Solid Waste Landfills and Structural Fill, the public is hereby notified that the South Carolina Department of Health and Environmental Control's (the Department's) Solid Waste Permitting Section has made a decision regarding the determination of need and consistency for a Class Three Landfill at the above-referenced location. The Department Decision is that the proposed Santee Cooper Cross Generating Station Class 3 Landfill meets the requirements set forth in Part I, Section D.1. of Regulation 61-107.19.

This decision becomes the final agency decision fifteen (15) days from the date of the certified mailing of the decision unless a written request for final review is filed with the Department. This decision may be appealed by complying with the procedures for requesting a Final Review before the Board of Health and Environmental Control (the Board) as found at:
